Application form requesting support from the ATA (Anglo Turkish Association) for a Project

Notes for consideration when completing this form

- Applications requesting personal support will not be considered
- 3 original quotations re costs of the project should be submitted with the request and should be on headed business notepaper
- All aspects of the costs should be set out clearly e.g. equipment, installation, labour etc.
- The ATA will not undertake to fund the servicing of equipment or other ongoing maintenance costs
- The ATA will not undertake the total funding of the project but will agree a sum when support for the project is accepted
- The ATA will not give cash to the organisation making the request but will pay the sum of money agreed to person/s or business on completion of the project
- The ATA retains the right to make presentation of the payment in the presence of the Press, TV and/or other media
- The ATA retains the right to carry out future visits to ensure that the project that was funded is continuing to be used for the purpose intended. This is especially the case where equipment is involved
- No further request will be considered for a period of 5 years
