

Brunch – October 2014

by Pearl Mitchell

On Saturday October 25th 2014, the ATA held its requested “Brunch” at the “Blue Song Restaurant,” Lapta.

It was a beautiful day and the setting perfect. Though only attended by a small group of 29 members, fewer than the similar Spring event, there was a buzz amongst the attendees as the members mingled and introduced themselves to each other. There was a very good balance between “established” and “newly joined” members.

As before, the restaurant laid on an enormous choice of hot and cold food, British and Turkish varieties. Everyone commented that there was more than enough food.

It has been requested that we make “Brunch” a regular event in our ATA calendar.
