After the planting of our forest, lunch will be had at a local restaurant.

Coach transport leaving from Kyrenia (with pick-up points along the way) will be provided for those requiring it, although should you prefer to make your own transport arrangements; upon request the ATA will provide details of where the tree planting location will be.

Because of the nature of this event: Those attending should come dressed appropriately (gardening gear/old clothes/etc) and be mindful of the weather — bringing extra clothing may be both desirable and recommended. A change of shoes might also be considered useful for afterwards.
