

St. Andrew's Church, Kyrenia

to love God, to love each other and to love our neighbour

We hope to help you create and sustain a marriage that is "life giving and life long".

Marriage Service*

St. Andrew's Church is part of the Diocese of Cyprus and the Gulf (one of the four dioceses that make up the Episcopal Province of Jerusalem and the Middle East), which includes Cyprus, the Gulf States, Iraq and Yemen. We are also part of the worldwide Anglican Communion.

St. Andrew's has been serving the Christian community living on the island of Cyprus since 1913 and our congregation includes people from various countries, cultures and denominations. Visitors to the Island are always welcome to join in our worship, and many return each year. Because North Cyprus is a secular state, with approximately 98% of the population being Muslim, we feel greatly privileged to be able to worship so freely at St. Andrew's.

We look forward to hearing from you
