We have just received this appeal from the Anglo Turkish Association for Blood Donors to give Blood to help long time member Harry Fellows who is in hospital and urgently needs a blood donation.

HARRY FELLOWS is a well known and longstanding member of our Association whose late wife Kate sadly passed away despite a blood appeal less than a month ago, and is **ALSO NOW** in urgent need of your **HELP!**

Harry is currently in the Dr Suat Gonsel, Girne University Hospital, Karakum and is urgently in need of **TYPE AB – (negative) BLOOD.**

WE ALL TRIED TO HELP KATE — SO NOW DO THE SAME
