Bayrak International Radio

From the Morning Light / Breakfast Show at the start of the day - right through the day until late evening Automation, during this last week the Presenters on North Cyprus's Government Radio & Television Service (**BRT**) '*Bayrak International Radio Station*' have been regularly talking about our Association's schedule of Events for the coming year (2020)

Bayrak International Radio can be found on Frequency: **FM105**

Bayrak International Radio can also be listened to online on the BRT website's Radio Page: -
