A member of our Association **Jackie Kirk**

is currently in the Oncology Unit at Burhan Nalbantoglu State Hospital, Dr. Niyazi Manyera Sk, Lefkoşa

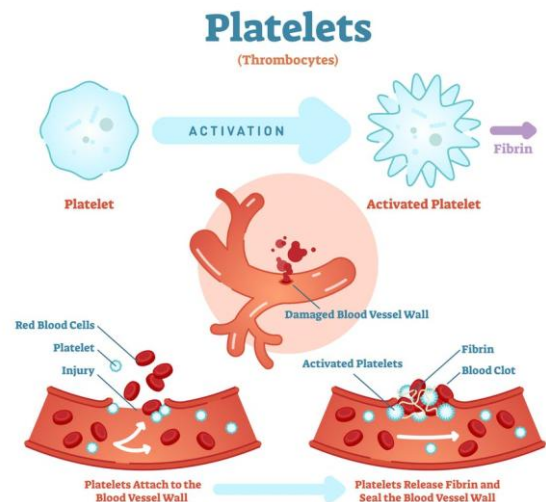

Ladies (preferably those under 45) she needs your **HELP!**

Jackie is in desperate need of Platelets.

If you are willing to donate some platelets please contact the Lefkoşa State Hospital by telephone **0392 223 24 41** to make an appointment to *give for Jackie*.

WHAT ARE PLATELETS

Platelets are tiny blood cells that help your body form clots to stop bleeding. If one of your blood vessels gets damaged, it sends out signals to the platelets. The platelets then rush to the site of damage. They form a plug (clot) to fix the damage.

Jackie asks; please share my **URGENT REQUEST** with everyone you know!
