MAY / MAYIS

19TH Talk about Cyprus Railways at Eziç Premier: Girne (Kyrenia)

From 1905 until 1951 with 39 stations, numerous stops and halts over a 122KM network of narrow gauge tracks, the railway provided commuters and businesses with a valuable mode of transport.

Loved by many this long forgotten relic of the islands past evokes fond memories in the minds of all those old enough to have ridden on it and happy hand me down stories through the generations of those too young to experience it. This talk is more than a trip down memory lane it is the story of Cyprus in the twenty first century wrapped up in a

bubble gum image of a time we all hanker after. A talk not to be missed!
