NOVEMBER / KASIM

10TH Walking tour of Gazimağusa (Famagusta)

A chance to have a guided gentle walking tour of one of our country's most historic and important city's. Not only is it a modern, thriving, busy and expanding commercial city boasting one of the Mediterranean's deepest sea ports, it is a city with so much history and visited by so many down the passage of time. This walk within the walled city will mesmerize you with the amount of riches it possesses

in respect to its famous and not so famous historical buildings and artefacts. From the Lusignan Crusader built walls enriched by the Venetians to become the most impressive walled city of its time within the Middle East – to the Othello's tower made famous by William Shakespeare – from St Nicholas Cathedral now the Lala Mustapha Pasa Mosque – to the Venetian Palace and lots more beside. This walk is a true walk amongst History, an enjoyable day out not to be missed!
