**The Foreign Resident Association ask for HELP!
URGENT APPEAL BY A TFR MEMBER**

We have been asked by **The Foreign Residents Association (TFR)**
if on their behalf we can make an **URGENT APPEAL ON BEHALF OF ONE OF THEIR
MEMBERS - Chrissie Skiggs**

**When someone is in need
Naturally we are only too pleased to assist**

The **TFR**
are a well known Association amongst
Ex-pats in North Cyprus, and need
assistance for one of its own members
and have asked for our Association help.

**The TFR member Chrissie Skiggs is currently in
urgent need of**

TYPE O+ (positive) BLOOD

IN THE PAST WE HAVE ALL TRIED TO HELP OUR OWN MEMBERS as have many non
members -- SO NOW DO THE SAME FOR this **TFR MEMBER**

Donors should go to the Blood Bank at the **State Hospital in Lefkosa** and say that are
donating for **Chrissie Skiggs** and give your blood to help save a life!

**On behalf of the TFR please spread this urgent appeal to as many
friends and people that you know who are currently in North Cyprus**

Remember one day you too might need help from someone just like the **TFR** member does
today, so if you can- do try to help! For any further information please contact jjoram@live.com

This appeal can be shared on social media from our Association Facebook PAGE
