15TH July 2020

## Main Charity Project 2020 FUNDRAISING UPDATE 15/07/2020

**On the 20th May** a Fundraising Appeal was launched by the Association to raise funds on behalf of the children at the **Special Needs Children's School in Karakum**. The details of which you are familiar with due to emails previously sent to you about the fundraising appeal and also from information on our Associations website.

The Association set a target of 98000TL in order to have the necessary works at the School completed.

**Today, 15th July**, the Association Chairman signed a contract with local builder **Resit Gokdeniz** of **GOKDENIZ insaat sti** to carry out the works involved in three consecutive stages. Work will commence on 20th July with completion due in September ready for the New School Year.

The Association Chairman would like to thank ALL those members who have graciously donated to the appeal, along with the large number of non-members who likewise have donated, and not forgetting those Patrons/Sponsors who have dug deep into their pockets to help with the appeal.

**Unfortunately despite everybody's valiant efforts the Association is still short of its appeal target by approx 10000TL**, and therefore asks ALL members, in particular those who have not donated, to please kindly consider helping your Association get the 10000TL still required and thereby ensure that all three stages of the contract can be carried out for the benefit of the children! ***Without your help the final stage of the works involved (toilet facilities) might not be able to be carried out!***

Should upon reflection you wish to donate (to donate or not is purely your own personal decision) this can be done by contacting the Association Treasurer ( [treasurer.ata.trnc@gmail.com](mailto:treasurer.ata.trnc@gmail.com) ) and arrange to meet in person to give your donation, or via the GoFundMe link on the Associations website.

**Help give little Eyyup what he wants; somewhere to learn whilst playing and a toilet to use!**
