# Friday 13<sup>th</sup> is not a bad luck day for everyone

Black bags full of **blue bottle tops** -- 500Kg of **blue bottle tops** were handed over today by our Association Chairman Gültür Kuran (*on right*) to the Orthopaedic Disabled Association in Lefkosa (who will exchange the bottle tops for a wheelchair via the Bottle Top Recycling Scheme).

Gültür thanked association members in particular Pear Mitchell and Eziç Restaurants for their help in collecting the 500Kg of **blue bottle tops** and urged everyone to continue collecting as the recycling scheme is ongoing.
