ATA Organised EVENT for 2021

A guided visit & talk to the CMC in Lefke – actual date to be confirmed

This visit to the Cyprus Mines Corporation in Lefke provides a glimpse into this company's past, present and future. The Cyprus Mines Corporation was an early twentieth century American mining company based in Cyprus.

In 1914, Charles Gunther began prospecting in the Skouriotissa area after reading in ancient books that the island was rich in copper and noticing promising ancient Roman slag heaps in the area they had mined thousands of years previously. Following Gunther's prospecting the Cyprus Mines Corporation was established in 1916 by Colonel Seeley Mudd, and remained in family hands until the early 1970s when it was sold to Amoco.

To discover more about this fascinating and intriguing company that had links to Hitler's Nazi Military during the Second World War, set up relief funds for our Jewish cousins in war torn Germany, organized the escape of refugees in war torn Germany, established a humanities and engineering college, from the Mudd's family to Freeport-McMoRan the Cyprus Mines Corporation has an intriguing past.

The Cyprus Mines Corporation has been part of our Country's history for over 100 years, join other members for this enlightening and interesting the visit that will provide and insight into the rich history of one of our Country's oldest companies and enthral you as you discover first-hand about what it means to be a part of the world's largest copper producer.

During the visit we will see the Karadağ (Monte Negro of Lefke), Venetian Aqueducts, the Coronation Monument & Colonial Buildings, CMC Mining area, CMC baths, and Lefke reservoir.

Lunch during the visit will be at a local restaurant.

A tour itinerary will be published on the association Website and Facebook Group + Page once actual dates and costs are confirmed.
