

ATA Organised TOURS

As usual we have an exciting programme of tours planned for the ensuing year which we are sure attendees will find enjoyable, informative, educational and above all else exciting and interesting.

Whilst our tours are in the first instance intended primary for our own association members, we always welcome non-members to attend our tours (places permitting) to enable you to get a first hand insight into our association. If you are not a member of our association but would like to attend a particular tour, then please email our Tours Organiser

tours.ata.trnc@gmail.com and ask for details of how you can attend.

The dates indicated on our tours programme for the ensuing year are given for indicative purposes only, please note that all proposed tours are subject to date change and/or cancelation. Exact details for all tours will be emailed to all association members at an appropriate time before the tour and also published on our association Website and Facebook Group + Page (At which time you must inform our Tour Organiser via email: tours.ata.trnc@gmail.com if you wish to participate in the tour).

All tour itinerary's will be published on the association Website and Facebook Group + Page once actual dates and costs are confirmed.

If you have a question about a particular tour or require more detailed information on a particular tour please contact our Tours Organiser via email: tours.ata.trnc@gmail.com

REMEMBER: *The number of places available on all our tours is limited, so if you don't want to miss out -- book your place as soon as you receive information that the booking process is open for the individual tour you are interested in!*

We look forward to you joining us on one of our tours, and if you do; will endeavour to ensure that you have an enjoyable and rememberable tour amongst other like-minded people.
