## ATA Organised EVENTS 2022

### Talk about Wills & Probate + Lunch – date & venue to be advised

Not only a fascinating and interesting talk, this is an essential and important talk about how the Legal Will and Probate System works in the TRNC. To some the subject of this talk may appear at first to be boring, uninteresting, a subject not worth bothering about and something we can put off until another day, but for those members amongst who haven't made a TRNC will in their mistaken belief that the will they have made in their home country will suffice, think again – it won't!

This talk is an opportunity to gain first hand professional knowledge from experts in their chosen profession in a relaxed and non intimidating atmosphere, if you have a question or are unsure about something - ask about it at the talk and receive easy to understand information.

The talk will also include advice on Property Sales, Purchasing and Rental agreements.

After the talk we will enjoy a lunch at the venue and have the opportunity to further discuss in person with the talks' experts about your specific circumstances.

If you already have a TRNC will this talk will either provide you with a satisfied peace of mind or make you think again. If you don't have a TRNC will then this talk is a must. A talk definitely not to be missed!

**Descriptions of all Events** are done so using poetic journalistic license and should not be assumed to be a detailed description or itinerary of any particular Event, rather a 'wetting the imagination'. Detailed information on all Events will be emailed to members in sufficient time prior to the actual Event to enable informed decisions made as to if the Event is of interest to you.
