Do you keep your money in that bank under the mattress, are you tech savvy enough to know the difference between a high street bank and an internet bank OR the difference between one bank and another?

We all think we know best, but without knowing all the facts how can you make your mind up – well perhaps, just perhaps this talk will answer one or two of your questions. If that's not enough – there's a traditional British Afternoon Tea thrown in for good measure, plus the opportunity to speak in private with those in the know about finances.

Banking has come along way since putting your pocket money in a piggy bank, today with high tech technology money is moved around the world in a blink of an eye, but is also prey to fraudsters and crooks, with sensible precautions and the right bank behind you, your nest egg should always be there for when you want it!

If you only want to come along for an afternoon tea considered by many to be the best in Northern Cyprus, then that is fine – because there is nothing better than spending a little time enjoying oneself whilst learning something at the same time!

If you only go on one ATA event a year -- make sure it's this event, as this event will provide you with food for thought and wanting to know more!

Descriptions of all Events are done so using poetic journalistic license and should not be assumed to be a detailed description or itinerary of any particular Event, rather a 'wetting the imagination'. Detailed information on all Events will be emailed to members in sufficient time prior to the actual Event to enable informed decisions made as to if the Event is of interest to you.

For more information on any of our Events in 2022 please email our Events Organiser whose contact details can be found on the committee members page and events page of our website.
