Today, Kuzey Kıbrıs Türk - İngiliz Derneği The Anglo Turkish Association of Northern Cyprus (ATA) which regularly supports good causes for the benefit of everyone in Northern Cyprus has today presented the Lapta Secondary School (LSS) with computers.

Headmistress of Lapta Secondary School, Nurgun Konnolu Tosun was surprised when the ATA turned up in answer to a request for computers for its students. Nurgun who is full of praise for the ATA said 'unbeknown to me the school's IT teacher asked the ATA if it would provide some much-needed computer equipment, to say I am surprised at the kindness of the ATA in answering our needs so quickly shows what a wonderful caring association they are. These two computers with all the latest software are so welcome and our students will be excited when they see them. After experiencing the generosity of the ATA, I ask everyone to help support the ATA whenever they seek help themselves'.

ATA Chairman Philip Lloyd whilst presenting Nurgun Konnolu Tosun with the computers said that the ATA is always pleased to be able to help local good causes especially schools, and will try whenever possible to ensure that its support for local good causes continues for a very long time!

Seen here receiving the computers from Philip Lloyd is Headmistress Nurgun Konnolu Tosun.
