24/11/2022 - The ATA helps Woman's Farming Co-operative

The Anglo Turkish Association of Northern Cyprus (ATA) which regularly supports good causes for the benefit of everyone in Northern Cyprus has presented the 4Koop Woman's Farming Co-operative (4Koop) with a refrigerated food display unit.

Deniz Solyali, Chairman of 4Koop (the only all-female co-operative in Northern Cyprus) was full of praise for the ATA saying 'we are a young co-operative and our woman farmers sell their produce from a shop in Lefke, but we only have a table to sell the fruit and vegetables we grow. With this refrigerated food display unit, we will

now be able to start making and selling a bigger variety of items. We can't thank the ATA enough for this wonderful gift. I'd been told the ATA help good causes, when I approached them for help I didn't think for one minute that they would be so receptive to my co-operative's request, but here we are today as the proud owners of a new refrigerated food display unit. Thank you ATA'.

ATA Vice Chairman Hatice Kerimgil and Treasurer Tim Morgan whilst presenting the refrigerated food display unit to Deniz Solyali at supplier Role Souğutma Ltd, said that the ATA is always pleased to be able to help local good causes and that by helping the 4Koop Co-operative we will be ensuring that their green ethos grows into a sustainable business for these women farmers.

4Koop is a co-operative of women farmers across the TRNC who through miss-fortune run their own farms producing all types of produce in accordance with certified organic principals.

Pictured either side of the refrigerated unit (L to R) are Ayşe Özgüven (supplier) Deniz Solyali (4Koop), Hatice Kerimgil (ATA), Tim Morgan (ATA) and Bayram Özgüven (supplier)
