On being told that she was November's winner, Janet said she thought it was a wind-up and it took time to realise she was actually the winner.

On being presented with her prize and winners' certificate, Janet thanked the ATA for having such a fun competition, further adding "I knew one day I would win as I'm always keeping my eyes open looking out for every competition post in order to try and be the first to guess who it is. I've only been playing for six months so can't wait for the competition to start in January as I will be trying to be the overall winner next year!".

Every Facebook post about ATA member clinics contains the image of a well-known celebrity, and members + followers guess who it is by commenting their answer to the post. The answer is also given in one of the weekly member clinic posts.
