## ATA Facebook Guess the Celebrity Competition

The 2022 winners of the associations 'Guess the Celebrity' competition are **Tricia Gough & Hilary Kyte** seen here receiving their prizes and certificates from the association chairman

[Full details of the competition can be found on the Member Clinic page of the association website](#)

At the start of December six players were in with a chance of winning the competition, but with Tricia and Hilary having been nose to tail throughout the year in the race to be crowned the associations 2022 Guess the Celebrity Competition, they weren't going to slip up at the last minute. Tricia and Hilary hung on to be declared the joint winners of the competition.

On being presented with her prize and winners' certificate, Hilary said she has never won any competition and can't really believe she's won something after all these years of entering competition after another. I couldn't even win the egg and spoon race at school, so thank you ATA for having such a fun competition that enabled me to win something at long last! Husband Tony said that he is never going to hear the end of this now!!

Tricia who was overwhelmed to be declared the winner, said after having a heart attack in September winning the competition is a great way to end the year. Further adding "I won the monthly competition in August just before my heart attack so didn't think it would be possible to be a winner so soon again, but here we are today and I still don't believe it. I'm going to share my prize with friends to help make their Christmas".

Both winners were overwhelmed when they received their prizes, declaring the hampers – wonderful and packed with so many expensive treats that they will not know what to eat or drink first. Likewise, they thanked the ATA for not only running the competition but also for all the work it does for local good causes.

Every Facebook post about ATA member clinics contains the image of a well-known celebrity, and members + followers guess who it is by commenting their answer to the post. The answer is also given in one of the weekly member clinic posts.
