## **Another Local School donates Bottle tops to the ATA Recycling Scheme**

Pupils, Parents and Staff at Mustafa Çağatay Primary School in Girne presented the Anglo Turkish Association (ATA) Treasurer Tim Morgan with their latest donation of plastic bottle tops.

Gönül Kendir of Mustafa Çağatay Primary School said, since being asked by the ATA to collect bottle tops for its recycling scheme, everyone at the school has got behind it, and everyday their collection of bottle tops grows. Further saying *'it is important to educate and teach children about our environment and how we can all help it. What the ATA do, not only helps reduce the amount of plastics that would be discarded into our countryside but also by converting it into wheelchairs for the disabled is wonderful. The children, parents and everyone at the school are pleased to be involved in the ATA Recycling Scheme'*.
