EVENT INFORMATION

A visit to Lefkosa by coach

Our 1st stop will be a visit to the BRTK studios where you will be given a guided tour from Can Gazi and given the history of how the news station started.

You will be able to see Radio Angel Denise Phillips in action as she presents her radio programme and also get to see live TV programmes being broadcast.

We will also visit the BRTK museum of radio equipment through the ages.

After our visit to BRTK, the coach will take us to the Private Ethnographic Museum.

We will have lunch in the restaurant next to the museum, and after lunch, Ergun Pektas the museum owner and collector will give us a guided tour of the museum.
