PRIVACY STATEMENT / POLICY

In becoming a member of the Anglo Turkish Association of Northern Cyprus (ATA), the member agrees that the ATA can hold information (personal data) applicable to the member which is necessary to enable the ATA to function as expected by the entire membership of the ATA in accordance with the constitution of the ATA.

Information (personal data) voluntarily provided by a member to the ATA can be in electronic, paper or verbal formats. The ATA stores this information privately in a manner necessary to enable the ATA to function as expected by the entire membership of the ATA in accordance with the constitution of the ATA. Information (personal data) provided by a member to the ATA is collected, stored and used under the auspice of the executive committee of the ATA.

Personal data is any kind of information that can identify a living individual, either directly or indirectly. Personal data includes names, e-mails, addresses, location data, and online identifiers such as IP-addresses, unique IDs, search and browser history.

The ATA does not disclose information (personal data) provided by a member to any third party without first acquiring the permission of the member, except for those instances where compliance with the laws of the Government of the TRNC or any other Government is applicable or where disclosure is considered by the executive committee of the ATA to be in the best interests of the member.

The ATA uses the following services to enable the ATA to function as expected by the entire membership of the ATA in accordance with the constitution of the ATA: - Wordpress, Sendpulse, Google and Facebook. In the instance where the ATA and the service provider privacy policy differ, it is at the discretion of the ATA executive committee as to which takes precedence.

The ATA website is hosted by Wordpress, the ATA does not use 'cookies' to collect information. WordPress is both a code for building websites, and a hosting service for blogs and websites. They have distinct privacy policies. The privacy policy of the WordPress code can be viewed using the following website address: - <https://wordpress.org/about/privacy/> The privacy policy of the WordPress hosting can be viewed by visiting the following website address: - <https://automattic.com/privacy/>

The ATA uses both Sendpulse and Google as its email service providers, the ATA does not use 'cookies' to collect information. The privacy policy of Sendpulse can be viewed by visiting the following website address: - <https://sendpulse.com/legal/pp> The privacy policy of Google can be viewed by visiting the following website address <https://policies.google.com/privacy>

The ATA social media sites are hosted by Facebook, the ATA does not use 'cookies' to collect information. The privacy policy of Facebook's can be viewed by visiting the following website address: - <https://m.facebook.com/privacy/policy/version/20220104/>

The ATA accepts no redress due to any failure of this privacy statement due to means beyond the direct control of the executive committee of the ATA. This privacy statement has been produced in good faith and in accordance with information available and known to the ATA at the date indicated. E&OE.

The address and contact details for the ATA can be seen at the top of this statement.
