*The friendly listening association with a heart supporting good causes in Northern Cyprus for the benefit of everyone*

## Who are the ATA and what do they do

The association is one of the oldest in Northern Cyprus, founded in the 1980's

The association is both Non-Political and Non-Religious

The original aim of the association is still at the core of today's association; *Bringing Turkish Cypriots and foreigners together through 'Cultural Activities' for the benefit of Local Good Causes in Northern Cyprus*

The association currently comprises of many nationalities including; British, Turkish Cypriots, Turkish, Scandinavian, Canadian, American, Russian, New Zealand, Australian, Dutch, German, Irish, Iranian, Indian, Bangladesh, plus many more (although most are either British or Turkish Cypriots)

Association members come from all walks of life and all professions/vocations, including Turkish Cypriot, British and American household names

The association holds weekly drop-in clinics at various locations across the TRNC offering advice and assistance on association and/or local issues at various locations for both members and non-members, details can be viewed on the association website

The association organises a monthly lunch or evening meal for both members and non-members

The association organises at least 1 monthly activity of a cultural / fun nature for both members and non-members

The association undertakes 3 – 4 foreign trips of a cultural nature a year to Turkey or surrounding Countries for both members and non-members

The Anglo Turkish Association of Northern Cyprus

The association is actively involved in protecting the environment through its recycling scheme, of collecting plastic bottle tops at numerous business establishments across the TRNC. It has also planted thousands of trees to help form a forest in the foothills of the five fingers mountain range, thereby helping the eco-system for future generations to come. Details can be viewed on the association website

The association continually fund raises to enable it to support local good causes, particularly those involving children, examples of which can be seen on the association website

The association regularly provides the Orthopaedic Disabled Association with new wheelchairs.

Recently the association completed the major refurbishments of the Karakum Special Needs Children's School, and the Operation Recovery Suites at Lefkoşa State Hospital. Provided the Muscular Sclerosis Association with new office furniture and computers, a women's farming co-operative (4K-Koop) with new refrigeration and display units. Supplied numerous Primary Schools with English Language books to help the children learn to read and write English, and supported many other local good including financially helping local charities in financial problems during the TRNC Government Coronavirus-19 lock-down

The association annually funds a home at the SOS Children's Village in Lefkoşa and the excavation and reconstruction of the Neolithic Çiftlikdüzü "Archaeopark" project at Tatlısu, details can be viewed on the association website

Information on some of the previous good causes that have been helped by the association, can be viewed on the association website

The association provides its members with a useful Discount Providers scheme

The association runs monthly and annual competitions of a light-hearted nature

The association regularly appears on TV & Radio, in Newspapers & On-line Press, plus Social Media Worldwide

The association has a regularly updated informative Website, Facebook Group and Facebook Page.
