Please note that people who book to attend and then either cancel after the indicated cut-off date or do not turn up on the day for the meal will be charged for their meal. *The ATA enter into a contract with an establishment and have to pay for the number of people booked to attend. By cancelling or not turning up YOU cost the ATA money which in turn means it is not able to support local good causes.*

A donation of 50TL to help those local 'Good Causes' the association supports is included in the price of this social gathering.
